LIFE BEYOND CLASSES

College isn't just about class. MDC is alive with student clubs, events, community outreach and athletics as well as networking, service-learning and study-abroad opportunities. MDC has it all.

SMART MONEY MOVES

- **Complete the FAFSA** even if you do not think you qualify.
- Research and apply for scholarships early. **mdc.edu/financialaid**
- Beware of scholarship scams. Do not pay to complete the FAFSA. It's a free application.

Learn more: https://fafsa.ed.gov

COLLEGE CREDIT NOW

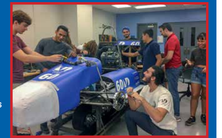

If you're looking for a head start on college, consider dual enrollment classes, which are college courses you take for free while in high school that count toward a degree at MDC or other colleges. Learn more at **mdc.edu/dualenrollment**, **mdcinfo@mdc.edu** or any New Student Center.

FINISH HIGH SCHOOL WITH YOUR AA DEGREE

The School for Advanced Studies (SAS) is a Miami-Dade County Public School Collegiate High School located at four MDC campuses. SAS students finish their last two years of high school while attending MDC and often graduate with both a high school diploma and an Associate in Arts degree. **Learn more at mdc.edu/sas**

LOOK INTO YOUR FUTURE

Miami Dade College

Dear Student:

It is a privilege to introduce you to Miami Dade College, our nation's most diverse institution of higher education and a place where everyone is inspired to achieve greatness. Miami Dade College is exceptional for the high-quality, affordable education that we offer at our eight campuses and online programs. Our College offers numerous degrees (including associate and baccalaureate degrees) and provides personalized assistance starting the moment you express interest until you complete your education with us.

Our students' enthusiasm and talent is infectious. Filling our campuses with the excitement that comes from discovering and fulfilling dreams. This zest is met by our faculty, whose passion for teaching creates environments that challenge and nurture students. Many students report that the faculty, staff and advisors at Miami Dade College are like a second family, providing guidance and support during each step of their academic journey.

I encourage you to visit the College in person. You'll see that there are so many ways to get involved, make new friends and have a rewarding student life. There is truly something for everyone at Miami Dade College. You can also visit us online at mdc.edu or on our Facebook, Twitter and Instagram social media sites.

Thank you for considering Miami Dade College, and I hope to see you on campus.

Sincerely,

Eduardo J. Padrón
President (and proud alumnus), Miami Dade College
